### Department of Nursing Policies:

1. Two full-time semesters at YCP are required prior to transferring into the Nursing major.

2. A GPA of “2.5” is required in the prerequisite sciences, e.g. CHM122, BIO150, BIO220, BIO222, and BIO230. A minimum of two of the above noted science courses must be taken at YCP.

3. Students may repeat failed science courses one time only.

4. Students must have earned a cumulative grade point average of “2.8” or better to be considered for progression to the sophomore year, second semester, in the Nursing major.

5. All courses must be completed with a minimum “2.0” grade. The common core of study defines the minimum competency to be achieved by all graduates in each area of the common core.

6. A minimum of 12 credits of the Area Distribution Requirements must be at the 200-level or above. Courses may not be taken on a pass/fail basis. See Registrar’s Office for official list of courses.

7. Six credits are to be taken in one of these two areas; if foreign language is selected, six credits must be in one language.

8. Requirements listed apply to students who matriculate into or declare this major during the 2013-2014 academic year.
