1. All courses must be completed with a minimum "2.0" grade. The common core of study defines the minimum competency to be achieved by all graduates in each area of the common core.
2. A minimum of 12 credits of the Area Distribution Requirements must be at the 200-level or above. Courses may not be taken on a pass/fail basis. See Registrar's Office for official list of courses.
3. Six credits are to be taken in one of these two areas; if foreign language is selected, six credits must be in one language.
4. Requirements listed apply to students who matriculate into or declare this major during the 2013-2014 academic year.
5. Advanced placement is available for these courses. See the Nursing Department for further information.
