---

**NOTE:** Students must have earned a cumulative grade point average of “2.8” or better to be considered for progression to the clinical courses.

*A grade of “2.0” or better is required.*

---

- All courses must be completed with a minimum “2.0” grade. The common core of study defines the minimum competency to be achieved by all graduates in each area of the common core.
- A minimum of 12 credits of the Area Distribution Requirements must be at the 200-level or above. Courses may not be taken on a pass/fail basis. See Registrar’s Office for official list of courses.
- Six credits are to be taken in one of these two areas; if foreign language is selected, six credits must be in one language.
- Requirements listed apply to students who matriculate into or declare this major during the 2013-2014 academic year.
