1 All courses must be completed with a minimum "2.0" grade. The common core of study defines the minimum competency to be achieved by all graduates in each area of the common core

2 A minimum of 12 credits of the Area Distribution Requirements must be at the 200-level or above. Courses may not be taken on a pass/fail basis. See Registrar's Office for official list of courses.

3 Six credits are to be taken in one of these two areas; if foreign language is selected, six credits must be in one language.

4 Required electives can be used to complete a minor

5 Requirements listed apply to students who matriculate into or declare this major during the 2008-2009 academic year
