When choosing an American college, go beyond the big names. Choose a school that will help you become a big success. At York, you’ll meet great people. You’ll perfect your English. You’ll be immersed in American culture. You’ll make connections and find success...beginning FROM DAY ONE.

Application Requirements

- Submit an online application at www.ycp.edu/international
- Submit supporting academic credentials as noted below.

  Freshman (applicants with no previous post-secondary education):
  - Official copy of Secondary School grade report along with certified English translation if needed.
  - Official TOEFL or IELTS test scores (for Non-Native English speakers). York College requires at least a 79 TOEFL IBT score or 6.5 IELTS score for admission consideration.
  - Official SAT or ACT test scores (for Native English speakers and applicants to Engineering, Computer Science, Nursing, Education, Forensic Chemistry, Pre-Med, and Allied Health programs)

  Transfer:
  - Official copy of your transcript for the institution you are currently attending and any institutions that you previously attended in the United States
  - Official Course-by-course credential evaluation of all foreign college transcripts. Evaluations must be prepared by World Education Services (www.wes.org)

**Academic credentials must be sent directly to York College of Pennsylvania by the issuing institution to be considered official.** They may be sent by mail or by electronic document transfer to:
