MEMORANDUM OF UNDERSTANDING

Between ____________________________ Area School District and
York College of Pennsylvania Educational Leadership Program

The purpose of this Memorandum of Understanding is to define the partnership between the York College of Pennsylvania principal preparation program and the school district under whose auspices a certification candidate applies to the York College of Pennsylvania Educational Leadership program. This partnership recognizes that the preparation of future school principals can best be achieved when the College and School District work cooperatively and collaboratively in selecting and preparing future school principals, assuring the effectiveness of the curriculum and instruction of the program, providing authentic and collaboratively supervised field-experiences, appropriate feedback and evaluation, while supporting the aspiring principal’s growth and development into an effective school leader.

The partnership is organized through the Educational Leadership Program Steering Committee made up of a representative of each participating school district, selected Educational Leadership Faculty, and the York College of Pennsylvania Coordinator of the Educational Leadership Program.

The Educational Leadership Steering Committee will:

- Serve as the partnership decision-making body;
- Establish goals based on district-level data and needs;
- Develop a plan for collaboration and for ensuring on-going successful development of the leadership preparation program;
- Provide feedback on the effectiveness of the York College of Pennsylvania aspiring principal mentor program and identify on-going training needs;
- Evaluate the effectiveness of the partnership.
