NACE Career Competencies Key
The National Association of Colleges and Employers identifies eight competencies associated with students’ career readiness. The Career Development Center strives to incorporate these competencies in programs, workshops, and resources.

PB: Professionalism and work ethic. Exhibit professional habits and attitudes.
CM: Career Management. Identify skills, strengths, opportunities, and more, related to your career.
GF: Global/Intercultural Fluency. Learn from and respect diversity.

For more information and complete descriptions of the Career Competencies, visit ycp.career or Career Development website.
