NOTICE OF FILING OF APPLICATION UNDER
THE U.S. DEPARTMENT OF LABOR'S
PERMANENT LABOR CERTIFICATION PROGRAM

The position of Assistant Professor of Computer Engineering at York College of Pennsylvania is open for recruitment. A description of this job opportunity is posted with this notice. An application for permanent labor certification will be filed with the Department of Labor. This Notice of Filing will be posted for ten (10) consecutive business days, ending between 30 and 180 days before filing the permanent labor certification application.

Job Duties: Tenure-track Assistant Professor of Computer Engineering will teach a variety of undergraduate computer engineering courses primarily to engineering and computer science majors. Faculty often oversees independent study projects, senior design projects, and teach special topics courses in their specialization area. Technical areas of interest include embedded system design/development and digital hardware design. Faculty are also active in curriculum and laboratory development. In addition to other professional development and scholarly activities, faculty often include undergraduate students in technical and pedagogical research. Must have doctorate degree in Computer Engineering or closely related field; prior teaching experience and/or industry experience (one month); interest and ability to teach a broad range of undergraduate engineering courses; candidates are expected to demonstrate potential for outstanding teaching, advising and scholarly activity.

Rate of Pay: $85,000 per Year

Location of Employment: York College of Pennsylvania, 441 Country Club Road, York, PA 17403.
