NOTICE OF FILING OF APPLICATION UNDER
THE U.S. DEPARTMENT OF LABOR'S
PERMANENT LABOR CERTIFICATION PROGRAM

The position of Assistant Professor of Computer Science at York College of Pennsylvania is open for recruitment. A description of this job opportunity is posted with this notice. An application for permanent labor certification will be filed with the Department of Labor. This Notice of Filing will be posted for ten (10) consecutive business days, ending between 30 and 180 days before filing the permanent labor certification application.

Job Duties: Tenure-track Assistant Professor of Computer Science will teach a variety of undergraduate computer science courses primarily to computer science and computer engineering majors. Faculty often oversees independent study projects, senior software design projects, and teach special topics courses in their specialization area. Preferred technical areas of interest include cybersecurity, data sciences, and/or machine learning. The program is particularly interested in building out its expertise in cybersecurity to include areas such as network penetration, malware analysis, digital forensics, computer and network security and secure software design. Faculty are also active in curriculum and laboratory development. Must have doctorate degree in Computer Science; prior undergraduate computer science teaching experience (one month); demonstrate potential for outstanding teaching, advising and scholarly activity; teach a range of undergraduate computer science courses in specialization areas; preferred technical areas of interest include cybersecurity, data sciences, and/or machine learning; prior teaching and pedagogical research are valued.

Rate of Pay: $80,000 per Year

Location of Employment: York College of Pennsylvania, 441 Country Club Road, York, PA 17403.
