**What courses must I take?**

1. NUR320 HEALTH ASSESSMENT FOR THE RN - 3 CREDITS
2. NUR321 TRANSITIONAL CONCEPTS FOR THE RN - 3 CREDITS
3. NUR331 ALTERNATIVE / COMPLIMENTARY THERAPIES IN NURSING AND HEALTH CARE - 3 CREDITS
4. NUR332 RESEARCH CONCEPTS FOR THE RN - 3 CREDITS
   Pre-requisite: BEH 260 Statistics (or another transferred statistics course).
5. NUR421 LEADERSHIP CONCEPTS FOR THE RN - 3 CREDITS
   Note: RNs near completion of their BS degree can apply for admission to the MSN program and can substitute NUR 512: Theoretical Basis for Professional Role Development instead of NUR421
6. NUR456/457 - COMMUNITY HEALTH CARE CONCEPTS FOR THE RN -3 CREDITS:
   (42 CLINICAL HOURS REQUIRED)
7. Any other non-nursing courses required by the College are planned with your adviser.

**What if I have a bachelor's degree from another school?**

RN students who already hold a Bachelor's degree in another discipline will earn a major in Nursing. All core, ADR and elective requirements are waived. Only nursing support courses, plus required nursing courses, must be taken. However, 2nd degree students must still take a total of 30 credits at York College if they did not obtain their non-nursing bachelor's degree at York College.

**What if I have a degree from YCP that is not in nursing?**

If the non-nursing bachelor's degree is from YCP, RNs only complete the BS in nursing courses for a second major.

**What if I am an international student?**

Individuals who received their basic nursing education in a country other than the U.S. and have been licensed to practice in a state other than Pennsylvania may be admitted to the program prior to obtaining a Pennsylvania license but may not take the clinical course NUR456/457 until they have become licensed in Pennsylvania.

**Does YCP allow CLEP exams?**

CLEP (College Level Exam Program) examinations in a variety of subject areas are offered at York College and other area institutions. For additional information and to schedule an exam at YCP, go to www.ycp.edu (click current students; then CLEP). Study guides are available through the CLEP testing service or at local bookstores. Information related to clepping is also available at www.collegeboard.com/student/testing/clep.

**What if I have a degree from YCP that is not in nursing?**

If the non-nursing bachelor's degree is from YCP, RNs only complete the BS in nursing courses for a second major.
What are the tuition and fees?
Tuition and fees are subject to change. Students are advised to check the YCP website prior to each semester. For information about available scholarships, please call the Financial Aid Office at 717-815-1282.

Is the program accredited?
The baccalaureate degree completion program is approved by the Pennsylvania State Board of Nursing and accredited by the Commission on Collegiate Nursing Education. (CCNE), One Dupont Circle, NW, Suite 530, Washington, D.C. 20036-1120, telephone (202) 887-6791. Any student who meets the required criteria for admission will be accepted into this program without regard to race, age, creed, color, sex, sexual orientation, religion, or national origin.

How do I apply?
For more information, visit our website at ycp.edu and enter "RN to BS" in the search box.

How do I register for courses?
All RN to BS students are considered transfer students and must have been admitted to York College before they may register for a course. This can be completed in the Admissions office. Newly admitted students must use a hard copy registration form (completed in person at the Admissions office) to register for their first class but may register for subsequent classes online. Students must pay a $100 registration deposit fee (which will be credited to their account) at the time of registration. Students who register late must pay their entire tuition fee at the time of registration.

For further information:
Contact the York College Nursing Office at 717-815-1243 or email Dr. Melissa Schneider Program Coordinator maschnei@ycp.edu
