

YORK COLLEGE
OF
PENNSYLVANIA

Your Next Chapter Starts Here.
Your Community Is Waiting.

At York College of Pennsylvania, your work makes a difference. Join a community that values collaboration, supports your growth, and is committed to shaping futures through education, opportunity, and innovation.

Why Join York College?

As a private, four-year college rooted in the liberal arts, York College of Pennsylvania is known for its student-centered mission, practical focus, and long-standing commitment to affordability and access. We're also an excellent place to work—offering a campus culture and community that support both personal and professional growth.

What You'll Find:

- A community-focused mission committed to opportunity, respect, and academic excellence
- A scenic, walkable campus in York, PA—within driving distance of Baltimore and Philadelphia
- A welcoming city with a growing arts scene, local businesses, and a strong sense of community
- An open, collaborative culture where professional growth is encouraged
- A strong tradition of experiential learning and innovation

Whether you're in a classroom, an office, or behind the scenes, you'll be part of a team working together to make education accessible and impactful.

- Employee discounts, wellness perks, and more

Tuition Perks You'll Love

Education Benefits for You

- York College Career Academy - 100% waiver of fees for employees

"Everyone here has made my transition from a full-time job to part-time very enjoyable. It didn't take me long to feel accepted and part of the team. YCP is a close-knit community where everyone gets along, and it feels like one big family."

-Ray Kendrick, Delivery Clerk

Your Next Step Starts Here.

Whether you're beginning a new chapter or looking for an opportunity to grow, York College offers the stability, support, and mission-based environment you're looking for.

Join a team where your contributions matter—on campus, in the community, and in the lives of our students.
